Borrowing Library Materials on your iOS Device

Clarksburg-Harrison Public Library
Materials

• Your library card.

• Apple iPad, iPhone, or iTouch that is connect to the Internet.

• An Apple ID and password.

• An Email Address and Password to create an OverDrive Account.
Our eCollection – WV DELI

• WV DELI = WV Downloadable Entertainment Library Initiative

• Just as our public library building houses its hard copy collection of books, magazines, and audiobooks, WV DELI is a digital center for the library’s electronic collection.

• WV DELI is where you go to get eBooks and downloadable audiobooks from the library – it’s your online library building.

• The same rule applies online as it does in the building. If there is only 1 copy of an item, then it can be checked out once at a time.
Install the OverDrive App

To begin, open the App Store app.
Search for OverDrive in the search bar located in the upper, right hand corner of the screen.
To install the app, first tap Free, and then Install.
When prompted, enter your Apple ID and password.

When you have done so, press OK to begin your download.
Depending on the speed of your internet, it may take several minutes for the app to download.

After the app has completed its download, press Open.
A. If you already have an OverDrive account, tap Sign In.

B. If you are under the age of 13, tap the button, “I am under 13 years old” to authorize the app without an email address.

C. To create an account, tap Sign Up.
