Materials

• A computer that is connected to the internet
• An Amazon.com account
Go to www.amazon.com.

Click on the Sign In to Your Account link.
Sign in to the same Amazon.com account you used when you checked out your library book.
Select **Manage Your Content and Devices** from the drop down account menu.
You can manage the content available on your Kindle from this screen.
Find the book you would like to return and then click on the **Actions** button located on the same line as the book you are returning.
Select **Return this book** from the menu.
You will be asked if you are sure you would like to return this library book. Click on Yes.
Your book will be returned automatically.

If you would like to remove the book cover image from your Kindle, click on Actions and the Delete from library.
You will be asked if you are sure you would like to delete this item. Click **Yes**.

You have now successfully returned your library book and deleted its image from your device.
